### Overview

In general, a person who wishes to immigrate to the United States must have a petition approved by the U.S. Citizenship and Immigration Services (USCIS) before applying for an immigrant visa. The petition is filed either by a qualified relative or a potential employer at a USCIS office in the United States. Specific information about filing immigrant petitions is available on the USCIS [website](#). An individual with an approved petition and a priority date that is current for processing (when applicable) is eligible to apply for an immigrant visa or K nonimmigrant visa.

### Petitions

Effective August 15, 2011, petitioners residing in Jordan, where USCIS does not have a public counter presence, must file their Forms I-130 by mail with the USCIS Chicago lockbox. U.S. Embassies and Consulates that do not have a USCIS presence will only be able to accept and process Forms I-130 in exceptional circumstances, as outlined below. Forms I-130 that were properly filed at the U.S. Embassy overseas where USCIS does not have a presence before August 15, 2011, will not be affected by this change.

USCIS Chicago Lockbox addresses for regular mail deliveries:
